THE BEST OF BOTH WORLDS

Whether you like to keep fit and active, entertain friends or relax after a hard day, the X-Stream Swim Spa has it all at the touch of a button.

The spa end has room to seat 6 and has an impressive 59 hydrotherapy jets with massage variations to suit everyone's needs. Available in 3 models the X-Stream range offers a swim spa that is perfect for you.

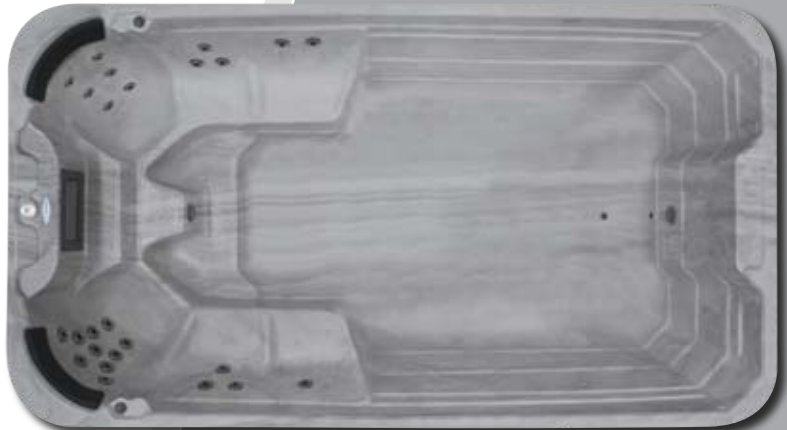

The swim end is powered by the Infinity Swim Jet System, comprising of 8 fully adjustable swim jets delivering up to 3300 litres per minute, allowing the resistance to be varied to cater for the beginner up to the advanced swimmer.

The X-Stream offers the latest in spa technology and comes complete with many exciting features, including a 24 hour circulation pump and ozone unit to keep your spa water clean and pure, aromatherapy for added therapeutic benefits, mood setting underwater mood light for spectacular light shows and stainless steel jets for added style and elegance.

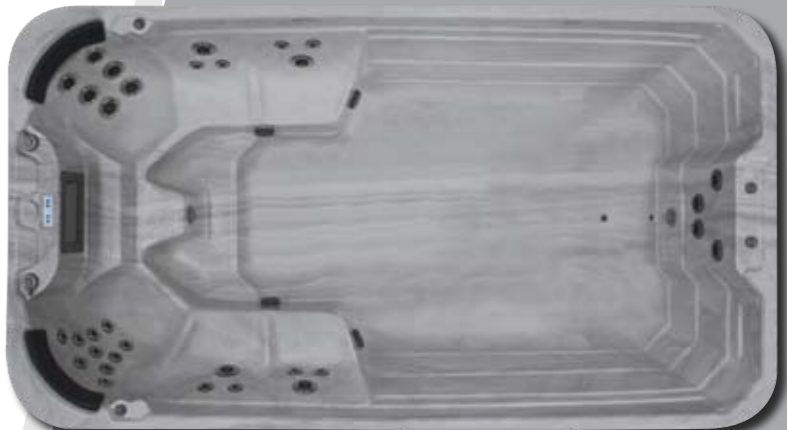

The X-Stream is available in portable and in-ground models.
